Additional requests follow:

1. Please acknowledge this toolkit in any publication, written, videotaped, or otherwise produced, that results from making programs using it. The acknowledgement should credit to GPS Navigation Toolbox GNT08.1.2.

2. Please send me any modifications you apply to the source codes. I will attempt to include them in future releases of the toolbox for you and others to use. This is the fastest way to get a working system for everyone.

Please understand that the Author cannot provide support for this product. While I may release future, updated versions of the toolbox and fix reported bugs, I may be unable to do so. Such releases and updates are likely to be reported on the project web page. You are welcome to contact me with questions and bug reports, which I will address as I have time.

Sincerely,

---
